FRANKFORT.

Single copies of the DAILY COMMONWEALTH neatly enveloped, can be had at the Counting Room of this office for two cents per copy. Single copies of the WEEKLY COMMONWEALTH, containing full reports of the Legislative proceeding, can be had for four cents per copy.

McCLUNG'S SPEECH, delivered before the Colonization Society, is now ready for delivery at the Counting Room of the Commonwealth Office—Price \$3 per hundred.

THE LOUISVILLE AND LEXINGTON TELEGRAPH.—Mr. TANNER, is progressing rapidly with the work on this line. The wire party, is at work on the Louisville end of the line and may be expected here in a very few days. We hope to be in "speaking distance" of the Atlantic sea-board in a week from to-day!

THE WHIGS OF EDMONSON COUNTY, held a meeting at Brownsville, on the 7th inst., and nominated delegates to the Gubernatorial Convention. A preference is expressed for the Hon. W. J. GRAVES, for Governor, and JOHN L. HELM for Lieut. Governor; through the cordial support of the Whigs of the county is pledged to the nominees of the Convention.

THE LEGISLATURE OF IOWA, after quite a boisterous session, has adjourned without being able to elect either United States Senators, or Judges of the courts. It will require another session, before any choice of these high officers can be made. This is the second adjournment of an Iowa Legislature without the election of United States Senators. The first time, the Whigs and "Independent Democrats" had a majority on joint ballot in the Legislature, though the Senate was controlled by the Democrats; who, though they passed a resolution to elect, refused to do so when they ascertained that the election would result in the choice of Whigs. In the late Legislature there was a majority of two, on joint ballot, in favor of the Democrats, and it seems the Whigs paid them off in their own coin.

WEST POINT VINDICATED.—Gen. PIERCE, in a speech delivered at Concord, N. H., declared that he had to retract opinions he had formerly entertained and expressed, in relation to the Military Academy at West Point. He was of opinion, that the city of Mexico could not have been entered in the way it was, but for the science and intelligence in military affairs, of the officers of the old army, mostly from West Point."

THE members of the Mississippi Legislature opposed to the repudiation of the State bonds sold on account of the Planter's Bank, met in the hall of the Representatives Chamber, at Jackson, on the 25th ult., and by a vote of nineteen Senators and twenty Representatives, to one Senator and four Representatives, resolved to make immediate provision, by some plan of a financial character, for the payment of the bonds, and the complete redemption of the State faith. We have every reason to hope that this resolution of the representatives, will meet the hearty concurrence and approbation of the people.

COL. G. W. MORGAN has been appointed a Brigadier General by the President. He did not make that speech calumniating a majority of the people of the United States as "traitors," for nothing. He has his reward.

THE Whigs of the Maryland Legislature have declared unanimously in favor of a Whig National Convention.

A PREDICTION.—The daily Wisconsin, an administration paper, published at Milwaukee, expresses the sentiment, that "the party or the men who over look the home commerce of the lakes and rivers, will be consigned to merited oblivion." These wise predictions were made by democrats two years ago; yet they respond to the call of those men "who overlook" the lakes and rivers, with the same alacrity as in times past. We have no faith in the stability of the democrats, who are so ready to denounce and applaud their leaders, and change from one side to the other with the rising and setting of every day's sun. Mr. Polk, it was said, *dated not veto the river and harbor bill*. He vetoed it, and those who had threatened him with destruction, were the first to cry "well done, good and faithful servant!"

THE Convention of Wisconsin, now in session, framing a State Constitution, has decided that the Legislature may, at some future period, confer the right of suffrage on negroes, subject to the ratification of the popular vote.

COVINGTON AND LEXINGTON TURNPIKE.—Some four or five years ago, the Legislature passed an act, setting apart, with the consent of the stockholders, the net profits of that part of the above road which had been finished, for grading and McAdamizing the unfinished part of it, which was to continue in force five years. We perceive by the proceedings of the Legislature, that a bill has been passed to continue in force this act. With the means thus furnished, the Directors have been enabled to make several miles of the road every year, but as a great thoroughfare between this city and Covington and Cincinnati, this road is wholly useless during several months of the year, and at no time is a portion of it more than merely *passable*. We hope, therefore, that the Legislature will, before it adjourns, do something more than give up the State's portion of the profits, towards completing the road. Fifty or sixty thousand dollars would, according to the best information we can obtain, be sufficient to finish the road. Let the Legislature authorize the company to issue that amount of scrip and guarantee its redemption, and the road will be completed in twelve months, when the profits of it would be doubled, if not trebled, and the scrip be redeemed in a very short time. The State, in this way, could not possibly be the loser, and could not fail to be greatly the gainer.—*Lexington Atlas.*

On motion of J. Davidson,

Resolved, That the proceedings of this meeting be published in the Frankfort Commonwealth.

On motion, the said meeting was adjourned.

WM. CORUM, Sec'y.

For the Commonwealth.

WHIG MEETING IN BOONE.

A meeting of the Whigs of Boone County was held at the Court House in Burlington, on the 7th day of February, 1848, (being C. F. Vawter, Esq. briefly explained the object of the meeting to be for the purpose of appointing delegates to attend the Convention to be held at Frankfort on the 22d inst., to nominate candidates for the offices of Governor and Lieut. Governor of Kentucky, and also for the purpose of nominating a Ticket of Electors for the Offices of President and Vice President of the United States.

On motion, CHASTEN SCOTT, Esq., was called to the chair, and MILTON HAMILTON appointed Secretary. Col. John Cave, Dr. H. W. Champlin, Lewis Webb, Joseph A. Green and James C. Shepherd, were appointed a committee to draft resolutions for the consideration of the meeting, who retired, and in a few minutes reported the following:
